

SUBSCRIBER AGREEMENT

This Subscriber Agreement, together with any appendices, addenda, schedules and other terms referenced herein (collectively, the “**Agreement**”) is a binding agreement between DigiCert, Inc., a Utah corporation (“**DigiCert**”), and the person or entity (“**Subscriber**”) that is issued digital certificates (collectively, “**Certificates**”) and/or uses other related products and services of DigiCert (each and collectively, the “**Services**”). The Certificate Terms of Use, the applicable Certification Practices Statement(s) (“**CPS**”), and the Privacy Policy, each available at <https://www.digicert.com/legal-repository/> (as updated from time to time), are incorporated by reference into this Agreement. This Agreement is effective as of the date Subscriber first uses any Services (the “**Effective Date**”).

1. Order and Resale.

- 1.1. **Procuring Party.** If you are a Procuring Party and are acting as the authorized representative of a Subscriber in applying for a Certificate or reselling other Services, you represent and warrant to DigiCert and Relying Parties (as defined in the Certificate Terms of Use) that (i) you have obtained the authority of the Subscriber to enter into this Agreement on behalf of the Subscriber; and (ii) you shall comply with and procure the applicable Subscriber’s compliance with this Agreement. If you are a Procuring Party and are applying for your own Certificates or the right to purchase other Services for yourself, this Agreement applies to you in its entirety with respect to such Certificates or other Services. “**Procuring Party**” means a legal entity or business authorized by DigiCert to resell or provide the Services to Subscriber.
- 1.2. **Subscriber Authorization.** If Subscriber purchases or uses the Services through a Procuring Party, then Subscriber hereby represents and warrants that Subscriber has authorized such Procuring Party to apply for, accept, install, maintain, renew and, if necessary, revoke the Services on Subscriber’s behalf. By authorizing a Procuring Party to provide or resell the Services to Subscriber, Subscriber hereby affirms its acceptance of this Agreement as it relates to Subscriber’s use of the Services. If Subscriber does not agree to the terms of this Agreement, then Subscriber may not purchase or use the applicable Services of DigiCert.
- 1.3. **Portal; Portal API.** If Subscriber purchases or uses the Services through an online account management interface, portals and/or related APIs made available by DigiCert (or by a Procuring Party on DigiCert’s behalf) to facilitate the management of Certificates and other Services provided by DigiCert (a “**Portal**”), then subject to Subscriber’s compliance with the terms and conditions of this Agreement, DigiCert hereby grants Subscriber permission, during the term of this Agreement, to use the Portal (in the form made available by DigiCert to Subscriber) to manage Certificates (or to manage any other Services to the extent permitted in the Portal). Further, subject to Subscriber’s compliance with this Agreement, if Subscriber has been granted access to the Portal API by DigiCert, then DigiCert hereby grants to Subscriber a non-exclusive, non-transferable, non-sublicensable, revocable, limited license during the term of this Agreement to install, use and make calls to and from such Portal API solely for the purpose of facilitating Subscriber’s use of the Portal (and its tools and functionalities) directly from Subscriber’s internal systems. “**Portal API**” means the portion of the Portal that constitutes an application programming interface and that facilitates the integration of the Portal with Subscriber’s internal systems, as such application programming interface may be made available by DigiCert under this Agreement. In connection with the Services, DigiCert may provide Subscriber with accounts to access and use the Portals (the “**Portal Accounts**”). Subscriber must maintain security over its Portal Accounts. Subscriber assumes liability for any use of its Portal Accounts by individuals obtaining access credentials from Subscriber.
- 1.4. **IP Address Scanning.** Subscriber will not scan a DigiCert IP address (including through automated means) without obtaining DigiCert’s prior written consent. DigiCert reserves the right to block an IP address that has been used to initiate connections that are not related to the normal use of Services without DigiCert’s prior written consent. Examples of non-normal use connections include, but are not limited to, vulnerability or load/performance scans. DigiCert may throttle any access to the Portal if DigiCert believes a system has initiated excessive connections to DigiCert’s Portals or Portal API.

2. Certificates.

- 2.1. **Applicable Certificates.** This Agreement applies to each Certificate issued to Subscriber by DigiCert or a Procuring Party, regardless of: (i) the Certificate type (client, code signing, or TLS/SSL), (ii) when Subscriber requested the Certificate, or (iii) when the Certificate issues. With respect to any Certificates issued by DigiCert or a Procuring Party to Subscriber hereunder, the parties acknowledge and agree that this Agreement constitutes the subscriber

agreement, as required under the applicable industry standards, guidelines and requirements related to the issuance of Certificates (including the EV Guidelines, as defined in the Certificate Terms of Use).

2.2. Certificate Terms of Use. Subscriber will order, manage, and use, and DigiCert will provide and manage Certificates in accordance with DigiCert's Certificate Terms of Use, available at <https://www.digicert.com/certificate-terms/> (as updated from time to time, the "**Certificate Terms of Use**").

3. **Fees**. If Subscriber has purchased the Certificates or other Services through a Procuring Party, the payment terms will be those terms established between Subscriber and such Procuring Party. If Subscriber does not pay the applicable fees for any Services extended to Subscriber (or where Subscriber has purchased the Services through a Procuring Party and such Procuring Party does not pay DigiCert the applicable fees for any Services in accordance with DigiCert's agreement with such Procuring Party), then (i) Subscriber will not be entitled to use such Services (including for the avoidance of any doubt, any Certificate(s)), (ii) DigiCert may refuse to process any subsequent applications submitted by or on behalf of Subscriber for additional Certificates or other Services, and (iii) DigiCert may revoke Subscriber's Certificates and terminate Subscriber's use of other Services.

Subscriber) to accurately and not misleadingly indicate the applicable Certificate on Subscriber's products, domain names or services. Subscriber agrees to not modify Marks in any manner or use or display Marks for any inappropriate purpose or in any way that could misrepresent the parties' relationship or diminish or damage DigiCert's reputation or the goodwill associated with any Mark or other DigiCert trademarks or service marks, including using a Mark or Certificate with a website that could be considered associated with crime, fraud, deception, defamation, libel, obscenity, misappropriation or infringement or that is otherwise reasonably objectionable to DigiCert. All goodwill arising in connection with the use of Marks will inure to the benefit of DigiCert and if Subscriber obtains any right, title or interest in or to any Mark as a result of the use of such Mark, then Subscriber hereby irrevocably assigns to DigiCert all such right, title and interest therein and thereto.

Subscriber may assume the defense of any proceeding requiring indemnification unless assuming the defense would result in potential conflicting interests as determined by the Indemnified Party in good faith. An Indemnified Party may, at Subscriber's expense, defend itself until Subscriber's counsel has initiated a defense of the Indemnified Party. Even after Subscriber assumes the defense, the Indemnified Party may participate in any proceeding using counsel of its own choice and at its own expense. Subscriber may not settle any proceeding related to this Agreement unless the settlement also includes an unconditional release of liability for all Indemnified Parties. Subscriber's indemnification obligations are not the sole remedy for Subscriber's breach of this Agreement and are in addition to any other remedies available. Subscriber's indemnification obligations hereunder are not an Indemnified Party's sole remedy for events giving rise to indemnity by Subscriber hereunder, and are in addition to any other remedies an Indemnified Party may have against Subscriber under this Agreement.
- 8.6. Injunctive Relief. Subscriber acknowledges that its breach of this Agreement may result in irreparable harm to DigiCert that cannot adequately be redressed by damages. Accordingly, in addition to any other legal remedies which may be available, DigiCert may seek and obtain an injunctive order against a breach or threatened breach of this Agreement by Subscriber, and without a need to post a bond or similar action.
- 8.7. Extent. The limitations and obligations in this Section apply to the maximum extent permitted by law and apply regardless of: (i) the reason for or nature of the liability, including tort claims; (ii) the number of claims of liability; (iii) the extent or nature of the damages; or (iv) whether any other provisions of this Agreement were breached or proven ineffective.

9. Miscellaneous.

- 9.1. Force Majeure. Except for Subscriber's payment obligations, neither party is liable for any failure or delay in performing its obligations under this Agreement to the extent that the circumstances causing such failure or delay are beyond a party's reasonable control. All DigiCert products and services are provided only upon the terms and conditions of this Agreement, and this Agreement prevails over any conflicting, additional, or different terms and conditions proposed by Subscriber. Except as otherwise allowed herein, neither party may amend this Agreement unless the amendment is both in writing and signed by the parties. Any terms in a purchase order or similar ordering document provided by Subscriber and not executed by DigiCert that conflict with the terms of this Agreement or materially alter the rights or obligations of the parties are expressly rejected and will be of no effect. In the event of an inconsistency between documents, the following order of precedence will apply: (1) the Subscriber Agreement; (2) Certificate Terms of Use; and (3) other applicable appendices, addenda, and schedules incorporated by reference herein.
- 9.3. Amendment. DigiCert may amend: (i) the CPS; (ii) the Privacy Policy; (iii) the Certificate Terms of Use; and (iv) any other applicable appendices, addenda and schedules at any time and will give notice of any material changes via the Portal or by a means set forth in Section 9.7. Subscriber's continued use of the Services after 30 days of DigiCert's notice of the amendment constitutes Subscriber's acceptance of the amendment.
- 9.4. Waiver. A party's failure to enforce or delay in enforcing a provision of this Agreement does not waive the party's right to enforce the same provision later or the party's right to enforce any other provision of this Agreement. A waiver is only effective if in writing and signed by both parties.

- 9.5. **Assignment.** Subscriber may not assign or delegate any of its rights or obligations under this Agreement without the prior written consent of DigiCert. DigiCert may assign or delegate any of its rights and obligations under this Agreement without Subscriber's consent. All such notices are effective when posted in the Portal or when sent to the Portal Account. It is Subscriber's responsibility to keep its email address current. Notices from Subscriber are effective upon receipt. DigiCert may change its address for notice either by providing written (including email) notice to Subscriber or by publishing a new address for notice through the Portal.
- 9.8. **Governing Law and Jurisdiction.** The (i) laws that govern the interpretation, construction, and enforcement of this Agreement and all matters, claims or disputes related to it, including tort claims, and (ii) the courts or arbitration bodies that have exclusive jurisdiction over any of the matters, claims or disputes contemplated in sub-section (i) above, will each depend on where Subscriber is domiciled, as set forth in the table below. If the dispute is not resolved within sixty (60) days after the initial notice, then a party may proceed as permitted under applicable law and as specified under this Agreement.
- (i) **Arbitration.** In the event a dispute is allowed or required under this Agreement to be resolved through arbitration, the parties will maintain the confidential nature of the existence, content, or results of any arbitration hereunder, except as may be necessary to prepare for or conduct the arbitration hearing on the merits, or except as may be necessary in connection with a court application for a preliminary remedy, a judicial confirmation or challenge to an arbitration award or its enforcement, or unless otherwise required by law or judicial decision.
